- NOTES:
- (1) The Managed Care eligible counts are based upon January, 2001 total eligibles adjusted for excluded populations. The counts include recipients who are exempt from mandatory enrollment. (See about statement for further details)
  - (2) The source of plan enrollment counts was revised in March, 1999 to be based on the Medicaid Encounter Data System (MEDS).  
The MEDS data reflects enrollees as of the end of the enrollment month. (See about statement for further details)
  - (3) All percents are rounded to the nearest whole number.
  - \* (4) The expected penetration rate columns reflect an adjustment to total eligibles and the percent enrolled to account for the portion of the exempt population who are expected to choose not to enroll in managed care and for retroactive Medicaid eligibility determinations precluding enrollment for the month being measured. (An exempt recipient is one who will not be mandated to enroll in Medicaid managed care, but is eligible to enroll voluntarily. This would include Medicaid recipients with AIDS, HIV or a serious and persistent mental illness. See the about statement for further details of this adjustment).
  - (5) New plans added this month : No new plans.
